CREATIVE DETAIL

Social Determinants

- Remember how and how many people greet on passing by.
- Write a thank you note to all the educators you know by name OR invite them all to your home.
- Look inside your pantry. Imagine how many people you think you can feed using all that food. What kind of party would you throw?
- Make your Heirloom Album by taking photos of all the things in your home that have been passed down from an older generation.
- With someone you care for and with a fresh cup of coffee, observe who is in the cars driving by your house until you finish drinking the coffee. You may choose to drink alcohol too.
- Describe your home to someone who has never been there; ask them to describe your home back to you.
