Determinants of Health X Creative Intelligence

Logical-Mathematic
Make a list of all the groups you belong to. Arrange the groups in the order of their size.

Logical-Mathematic
List all the jobs that you’ve had. Put a star next to the ones that you’ve worked because of your friends or relatives.

Logical-Mathematic
Find the closest convenience store. If you had to live off only what you could buy at the store for one month, what would you do?

Logical-Mathematic
Find a square on the ground (or draw one) as large or small as you like. Invent a game to be played inside the square.

Social Interaction
Find the closest convenience store. If you had to live off only what you could buy at the store for one month, what would you do?

Legal
Count all voting opportunities you get this year.

Financial
What do you own that you didn’t buy? What do you own that you didn’t earn?

Food
What do you own that you didn’t buy?
